REPORTS:

LADIES REPORT - Janice Rolls

Not much Golf has been played and the course is still very soft. During the course closures the Club House & Bar have been opened on Tuesday mornings/lunch. Thanks to Fay Keeling & her team who have maintained a continual supply of Cheese Rolls, sales of which exceeded expectations. And a thank you to the ladies who have ensured that the bar was opened each week. They've made a small but welcome addition to the Club income during this difficult time.

MENS AND MIXED REPORT - Scott Saunders

A very brief report consistent with our playing time.

We have cancelled the Gallagher Brothers trophy for this year. We are still waiting for the finals of the Cornish and Tweedy Nett Matchplay to be played.

We have commenced planning for our Shootout \$10 entry, Pairs Champs and the Lincoln Open.

Thanks to Burnham and Kaituna for allowing us course access and to join the competitions.

Pure Strikes

GREENS REPORT - Mike Bond

The rough's mower has been repaired.

The green's mower has been sent in to get a wee repair done, set and sharpened

HOUSE Report: Dale Pamment

Many thanks to Angela for securing Funding for the Club House Roof Repairs. Do we have an idea of when these Repairs will be undertaken?

Shrubs around the Club House need trimming and spouting cleaned. Ross Pamment has offered to do this however due to a recent shoulder injury will need some assistance with this job. Any volunteers?

Income over the Bar is down due to prolonged Course Closures. Many thanks for those members who made Saturday get togethers work.
