6th April - Ball washers emails and phone call follow-up -

Dale/Ron CARRIED

REPORTS:

WOMEN - Lois Anderson

This has been quite a busy month for Lincoln Lady Golfers. Many have been away playing at Central Otago courses but those of us at home have completed many competitions.

Interclub for both the Sunday competition and the Tuesday golfers has proceeded with only 1 more match to be played. On 12th April we played at Templeton against Rawhiti and the team had a win. The previous interclub saw us having a draw against Akaroa at Clearwater. A challenging course to most of us.

Tuesday and Saturday golfers have played for the Stroke Championships [gross].

The winners were Jo Bond 1-18.4, Nancy Moroney 18.5- 25.4 , 25.5 Ngaere

On 16th March we had our annual exchange with McLeans Island. 14 ladies made the trip with 11 playing 18 holes. McLeans retained the trophy again.

On 25th March we had our annual Open tournament . 18 teams entered from across Canterbury. many teams turned up with their team of 4 while others combined with some of our members.

There was a prize for Best gross on the day and the rest of the prizes were for teams points. Best gross was Linda Cook from Geraldine - 81

Tai Tapu won the best team score and a Lincoln team was 2nd in the team score.

For the last 2 Tuesdays we have played for the Nancy McCormich 4somes.

The Saturday players can play for the same match. Some choose to play 36 holes in 1 day while others play 18 holes over 2 match days.

We are all looking forward to the 75th Anniversary which will be celebrated at the weekend.

MEN'S & MIXED MATCH - Scott Saunders - Held over until next month

FINANCE - Leslie McAuley - tabled

MEMBERSHIP - Leslie McAuley - held over until next month

HOUSE - Dale Pamment/John Renall

TURN OVER Till data information from the changes made to the cash register have just started coming in so the information currently is short on substance. Hopefully, the information will be more pertinent for the next meeting.

PRICE ADJUSTMENTS We have been selling Moro bars and sandwiches at below cost! Not ideal. I have increased prices slightly to at least make a profit but not upset members.

EASTER EGGS These were put out on tables prior to Easter. None left!!!!

WINE TASTING Multiple tastings of several Selwyn District winery selections have been undertaken on different days/competitions. Members have been asked for their comments on each of the wines This is a continuing of the "buy/support local" initiative which has gained great support from members. There have been a couple of standouts and these will be introduced as current brands run out.

SLOW SELLING STOCKS I have already 'binned' Pear Ciders which were well over the use by date by several months. Vodka Ice and Jack Daniels RTD stocks have had dismal sales in the past. These are now going to go on sale as "get two for the price of one" deal to move them and put cash in the bank.

SUPPLIERS Liquorland have proved their worth in the change of alcohol supplier. However, they still have not received our application to open a charge account with them. New World is not doing so good! So far, I have placed 5 weekly orders with them, and they have stuffed up everyone!

JR to be added to the New World Card

CHILLER I am still waiting on a report on the chiller. The compressor fan is currently not operating properly and is tripping out. Inside chiller temperatures are therefore too high. An indicative cost to fix the problem is around \$300. Committee guidance is requested. I hope to have all reports in and recommendations to the committee soon. I am not sure if the system will hold together until improvements have been made.

MAINTENANCE The RHS folding door to the putting practice area will not open and has not done for many years. *This has since been fixed*

There is a water leak around/under the concrete pad where the wheelie bins are locked away.

Dale will sort this out with Mark a member who is a plumber

GREENS CONVENOR - Mike Bond

- Ellesmere purchased the old roughs mower for \$4000 (\$550 more than trade in price)
- 4 new ball washers are on order - *now finally here*
- Thanks to Ant Grey and Peter Fairweather for helping with the coring
- Thanks to Ron and Bill Campbell for helping get course ready for ladies open while Blair was away
- We need to set up some training on the mowers so we have people who know how to use properly - *Mike to sort out the training*

CANTERBURY CENTRAL - HANDICAPPING - HEALTH & SAFETY - Warwick Butler
Does Canterbury Golf have a generic privacy policy

MEDIA/PUBLICITY

Paul Langrope is taking over updating the results on the website

Carried Dale/Ron

GENERAL BUSINESS:

1. Life Members ?? A discussion was held by the committee on this subject
