## REPORTS:

### WOMEN - Lois Anderson

Interclub competition has finalised for another year for Lincoln Ladies.

Both the Saturday ladies and Tuesday ladies were in the middle to lower band this year. All games were a time to renew friendships and try out different courses- some of us are a bit sheltered at Lincoln!!

We have completed the Nancy McCormick competition and as this is a National competition we await the assessing of the winners.

At Lincoln Jo Bond and Lesley McAuley were the winners.

The Cowlshaw cup has been played for and the winners were Heather Templeton and Pam Grenside.

We have a good turnout of 20 or more players each Tuesday- some playing 9 holes.

This week our game will be a stableford- playing for the Eagles group.

MEN'S & MIXED MATCH - Scott Saunders -

A good month for competition.

Jubilee Trophy - Bill Campbell and Faye Wilcock

75 th Jubilee - Good turnout and Good scores.

AM / PM Challenge - A bit of confusion as a few members did not realise the 11:00 AM start.

Mens Vs Ladies Last Sunday - Ladies won the Day well done.

Mens Interclub season is progressing well with all our teams making a good showing. Lincoln North Patterson Cup Team has made the semi-finals - well done.

## CHILLER

Following your approval, Chillwell replaced the compressor fan urgently. It was completed in time for the Jubilee weekend luckily. Temperatures got up to 14 when they should be 0.5.

Quotes for the replacement of the refrigeration system and the pass thru sliding doors have finally come in. This has proved to be a bit of a mission! These papers and my recommendations have been given to Dale to present to you at this meeting for your action.

## JUBILEE WEEKEND

This was a great success for the bar. Friday night went extremely well with great turnover. Saturday afternoon not so much with 5 hours for the round of golf and people getting ready for the Saturday night. Sunday was a good day. Not as good as Friday night so there must have been a few hangovers!!!! Still was a great event and well organised.

## EVENTS

Property Brokers - We only took \$300 for the day over the bar. Bit poor given the hours put in but they were giving out free drinks during play which slowed things down. The club received \$520 in green fees though. The day raised about \$5,000 for Selwyn District St Johns Ambulance which was a great effort.

Molly's 40th Karaoke - Was a fun night and the bar took \$750. The one thing to come out of the night was that there are no decent singers in the club (ha ha ha)

## DUTY MANAGER

I am away on leave 31 May to 18 June so an “acting manager” will need to be appointed and this reported to the Selwyn District Council. Someone will also be required to pick up any order from New World on Friday 04 June. I will endeavor to have stocks to a level to cover the period I am away but will require someone to keep an eye on stock levels in case something needs to be ordered.

## SUPPLIERS

Continue to have issues with New World getting the order completed 100% each week. When will I be added to the signature list for them to be able to charge our account rather than me having to go through the checkout and paying cash? *This was done at the meeting.*

The Liquorland delivery driver says he enjoys coming to the club as he has a lot of fun with the bar staff.

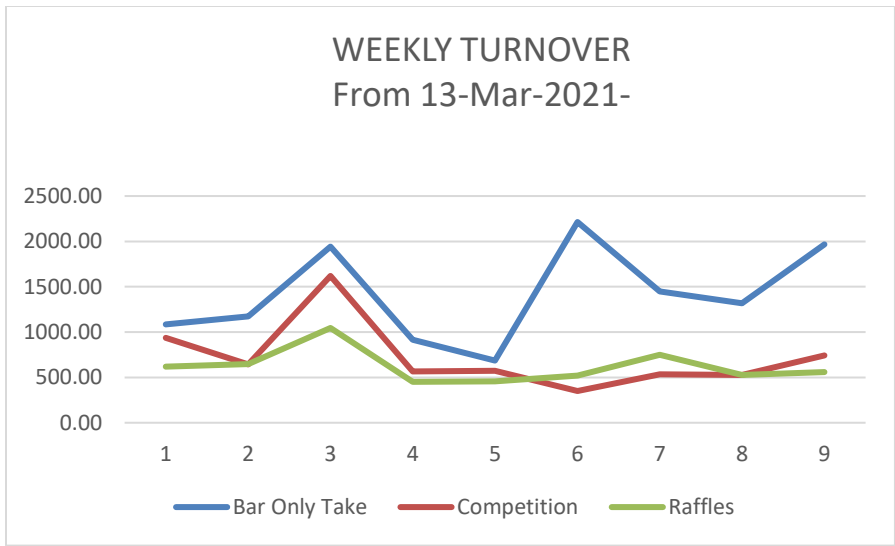

## TURNOVER

I set out below some figures on product unit sales for your information. It shows the importance of additional events to boost turnover.
