REPORTS:

LADIES - Lois Anderson

For 2 Tuesdays in April we enjoyed playing The Nancy MacCormick foursomes. With our own chosen partners we enjoyed the Autumn weather and a quicker trip around the course. Anne Lamerink and Janice Rolls were the winners for Lincoln Club. The ongoing play is the Cowlshaw Trophy and pairs are now playing off to see who the winner is. For the stableford days we have had the regular 25 plus players. We are all making the most of the good days . Many of the Ladies have been helping around the course and clubhouse leading up to our Lincoln Ladies Teams tournament. Many players donate goods and there is a very good table of prizes on the 5th May. 17 teams of 4 players were entered and we did well to accomadate these players and cater for them afterwards. The winning team was Jan Latham and friends, 2nd was Ellersmere Experts, and 3rd was a Tai Tapu team with Isabel Moore as a 4th player. The 4th team was also a TaiTapu team and 5th was Lincoln Ladies. Our Interclub has finished for the year with the Weekday ladies coming 3rd in their zone. We finished with a win at Templeton against Horarata. The Weekend Ladies are also finished enjoying many outings also with close matches.

MEN'S & MIXED MATCH - Scott Saunders -

April was a steady month dominated by some awesome weather and our Left Handers Trophy being contested as well as the Stanley and Neal Trophies commencing. Congratulations to our winners.

LH Gross won by bill Campbell

LH Net won by Alec Martin

RH on LH day won by Laurie Montie

Coming up in May we have the Cornish and Tweedy Net Matchplay.

The Men's interclub has been progressing with all our teams enjoying themselves playing at various Canterbury courses. Great to see a few wins materialising in Patterson and our Brownie and Shield Teams hanging around the middle to top end of the tables.

FINANCE - John Prendergast - tabled

CARRIED: M Gleave/L Anderson

MEMBERSHIP - John Prendergast - 1 new member was approved by the committee being Bredon Thyne - Full Member

HOUSE - Dale Pamment

Not much of anything to report except that Ross has changed the existing (key) padlock to a combination padlock for the Lockup area where the Wheelie bins are housed. This is so the wheelie bins can be put out/away after collection without the need to enter the Clubrooms/bar to uplift the key for the padlock. The new combination padlock has the same number code as the small lockup storage room outside deliveries.
