REPORTS:

LADIES - Lois Anderson

The winter weather has not deterred too many golfers so far. A few hardy players keep turning up and we venture out into the sticky conditions. We commend the grounds committee for the great work at felling trees and planting new species to flourish in places where we shouldn't venture. On 21st June we had a mid winter lunch after playing an Irish stableford. The teams of 3 enjoyed trying to accumulate the most stablefords for the day. The 'pot luck' lunch was very rewarding and the mulled wine was even better. Some of our older members joined us and they were wearing their Christmas jumpers.

A wet day turned us away on 28th June so a few came out for a hit on 30th June instead. On the 5th July fewer players turned out for golf and we had our LGU day and counted our putts. Isabel Moore scored the best with 25 putts. On 6th July 20 ladies went to The Raspberry Cafe for lunch. They support our 'shoot-out' and we were pleased to enjoy their hospitality. Nancy Moroney is away travelling for 6 weeks and others from the club will venture forth soon.
